

THE
VAN WINKLE

LAW FIRM

TO OUR CLIENTS AND FRIENDS:

Like many other businesses, The Van Winkle Law Firm is acting to curb the spread of the coronavirus (COVID-19) by limiting person-to-person interaction, avoiding unnecessary travel, and increasing internal infection control measures. As part of our effort to protect the health and well-being of our clients, employees and community we are taking several steps, effective immediately.

Starting the week of March 16, 2020, our attorneys and staff will be working remotely. We are committed to maintaining an active, client-focused practice throughout these troubling times. We are encouraging our clients not to come to our office. We will be rescheduling face-to-face meetings with conference calls and/or video conferences. We have taken steps to ensure that communications continue seamlessly in the weeks ahead and are confident that client service will not be interrupted. We will follow these procedures and protocols through at least April 3, 2020 and will extend them as necessary and appropriate.

Please do not hesitate to contact any of our attorneys or staff. We are available at our usual numbers and email addresses.

Thank you for your understanding and commitment to the health of our community.
